At a Glance
2020

2020 AT A GLANCE

2020 has been unprecedented

in the history of International Development and Relief Foundation (IDRF). We have fed over 398,000 people, provided water to 215,300 people, established income generation programs for over 1,400 people, and helped 6,000 youth right here in Canada prepare for overcoming challenges they face in an ever-changing world. This is all a testament to the commitment and compassion of our donors, partners, volunteers and staff.

This year has not been an easy one. We've had to adjust along the way and make difficult decisions about the work we can and cannot take on, as the needs have never been greater. We have asked more of our supporters this year than ever before. And the results of all of our efforts and the number of people we have been able to help this year are undeniable.

Thanks to all the support we've received we were able to invest 90 cents of every dollar towards our relief and development projects around the world. As a result, more than 840,000 of the most vulnerable were supported through IDRF.

We know that our work does not stop here and with the ever-increasing demands for what IDRF does, our work is not getting any less urgent. Thank you for the critical role you play in our ability to deliver these programs. We couldn't have done it without you. A heartfelt thanks to all our supporters, partners, volunteers and staff.

Emergency Relief

IDRF is committed to helping those in need around the world when emergencies happen. 2020 was a particularly catastrophic year for everyone, and our aid was needed more than ever.

COVID-19 Global Response

- Hygiene kits to individual families to fight the virus
- Educational sessions to ensure practicing good hygiene
- Delivering food parcels to families who couldn't leave their house during quarantine
- COVID-19 testing centres, ambulatory support, and other PPE for hospital staff

Countries reached: Bangladesh, Canada, India, Pakistan, Palestine, Syria, Yemen, Somalia, Uganda.

Canadian Muslim Response Network

IDRF, in partnership with the Canadian Muslim Response Network (CMRN), launched a campaign to support Canadians affected by COVID-19. The program aimed to help vulnerable populations with hygiene items, PPE and household cleaning supplies. IDRF procured the relevant hygiene items in bulk. We assembled and delivered packages to hundreds of households across the GTA.

COVID-19 PPE Relief

IDRF, in partnership with Conquer COVID-19, launched a national effort to support frontline healthcare workers with Personal Protective Equipment (PPE). The project's impact relied on identifying the most pressing needs through consultation with front line physicians. Leveraging storage facilities, our group filled the critical gap in healthcare worker's access to PPE. We ensured thousands of frontline healthcare workers across Canada stayed safe.

Bridging the Gap

IDRF works to bridge the gap between emergency relief and sustainable development. Our unique multifaceted approach ensures that people receive quality aid, while providing resources and support for them to live a life of dignity, self-justice and self-reliance.

HOW DO WE DO IT?

Step 1:
IDRF receives your donation

Step 2:
We identify people in need

Step 3:
We respond to immediate needs of the community

Step 4:
We monitor and ensure needs are met, and people's immediate distress is relieved

BUT IT DOESN'T END THERE

Step 5:
We then continue to provide adequate resources and long term support to those we serve, empowering them to live sustainably, while contributing to their community.

We guide farmers in capacity building and learning how to rehabilitate land and maintain their businesses.

We provide health and hygiene workshops to ensure families stay clean and safe.

We provide families with food vouchers for local markets to empower them with the ability to meet their dietary needs.

Water

Our programs keep families healthy by giving them access to:

- Safe drinking water
- Adequate sanitation facilities (washrooms, hand wash stations)
- Hygiene education for men, women, and children

200K+

people received fresh water

170+

Water wells built

Food

We provide urgent food relief to families in vulnerable regions around the world. We educate communities about nutrition and sustainable food practices to address malnutrition and its impact

200M+

meals distributed

390K+

people fed

Health

IDRF's health programs provide access to premium, essential health care services to families in need. Families who are otherwise unable to access even the most basic medical care.

200K+

people received medical support

4

COVID-19 treatment centres established in conflict zones

Education

IDRF's education programs provide children and youth with access to basic, high-quality education. By teaching skills that make them employable, we aim to improve their long-term well-being by taking them out of poverty.

27K+

students received educational support

100+

schools support around the world and in Canada

Economic Development

Our Economic Development programs assist women, men, and youth in need. Our vocational programs allow individuals to learn valuable skills to enable them to find work and become self-reliant.

1.4K+

individuals find employment every year

345

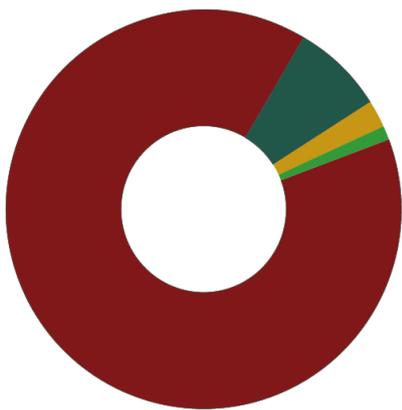

youth found jobs in Canada

Driven by our Mission. Inspired by You.

It takes a team of dedicated collaborators, working toward a meaningful goal, to effect change. We are grateful for the ongoing generosity of our donors, and the support of gift-in-kind partners for their commitment to the world's most vulnerable.

ZEIB JEEVA
CHAIR, BOARD

In this time of many challenges, we have anchored ourselves to IDRF's purpose, mission and values. We continue to assist the most vulnerable communities in creating lives of dignity, equality and self-respect towards a more just world.

Thank You

to everyone that contributed over the past year.
